catering equipment

fino al / until 04.2009

This exploded view diagram illustrates the rear suspension assembly for a vehicle, specifically for models up to April 2009. The components are labeled as follows:

- 264A**: The main rear suspension arm, featuring a ribbed section.
- 265A**: A small circular component, likely a bush or washer, located at the top right.
- 266A**: A small rectangular component, possibly a bracket or spacer, located below 265A.
- 267A**: A small rectangular component, possibly a bracket or spacer, located below 266A.
- 268**: A small circular component, likely a bush or washer, located at the top right.
- 269**: A small rectangular component, possibly a bracket or spacer, located below 268.
- 270A**: A long, thin cylindrical component, likely a shock absorber or strut, located in the upper center.
- 272A**: A small circular component, likely a bush or washer, located in the upper center.
- 273A**: A small rectangular component, possibly a bracket or spacer, located in the upper center.
- 275**: A small circular component, likely a bush or washer, located in the upper center.
- 288**: A small rectangular component, possibly a bracket or spacer, located in the upper center.
- 290A**: A small circular component, likely a bush or washer, located at the bottom left.
- 292A**: A small circular component, likely a bush or washer, located at the bottom left.
